

SUNDAY MARCH 14 | 1-5PM

PARTNER WITH US

Join us March 14, 2027, for Zachary's Pawty, a community celebration benefiting Operation Colony Cats. Local businesses, animal lovers and supporters will come together for live music, great food, raffles and family-friendly fun for everyone.

Event proceeds help fund spay and neuter assistance for those in need, veterinary care for cats and dogs, humane Trap-Neuter-Return efforts, and food, supplies, foster care and transport for community cats. Your sponsorship helps prevent unwanted litters, reduce suffering and extend these essential services throughout Lowndes County and neighboring Golden Triangle communities.

As a sponsor, your business will receive valuable recognition while demonstrating a meaningful commitment to local animals and the people who care for them.

YOUR SPONSORSHIP AT WORK

Your support helps cover spay and neuter assistance for cats and dogs, vaccinations and veterinary treatment, food and supplies for community cats, and foster or transport expenses for cats and kittens needing placement. These practical services prevent unwanted litters, improve animal health and make humane resources more accessible throughout our region.

To guarantee full recognition at your selected sponsorship level, please submit your sponsorship commitment and logo by **Feb. 1, 2027**. Recognition for sponsorships received after this date will be provided as production timelines and available space allow.
